HISTORY OF THE ASSOCIATION OF JUNIOR LEAGUES OF AMERICA

The Junior League represents a serious endeavor on the part of young women to become active and constructive factors in the communities in which they live, to be intelligent citizens, and to assist in promoting human welfare. In addition to providing the member with channels of work and training for volunteer service, the Junior League helps her to realize two vital concepts: (1) that she is not an onlooker, but is herself a part of the community; (2) that the community, in turn, is not an isolated unit but part of the nation and of the world.

It was in 1901, at the beginning of a new era for American women, that the first Junior League was organized in New York. At that time Mary Harriman (Mrs. Chas. Carey Rumsey) and Nathalie Henderson (Mrs. Joseph Swan) realized what might be achieved if a group of young women were encouraged to take a more active part in some form of active service to their own neighborhoods through the settlement houses and other organizations in existence at the time.

Soon similar organizations to that in New York were formed in various other of the large cities—Boston, Brooklyn, Portland, Ore., Baltimore, Philadelphia and Chicago. In the spring of 1912 six of the seven Leagues then in existence held their first national conference in New York City. In 1921 the Association of the Junior Leagues of America, Inc., was founded by the thirty Leagues then in existence. Mrs. Willard Straight (Mrs. Leonard K. Elmhirst) was elected president and a Board of Directors was appointed and instructed to draw up a constitution.

After 1921 the Association grew rapidly until, in 1923, there were sixty-three Leagues. In order to establish a closer contact between the Leagues and the Association, the country was divided into six territories and in each a League member was appointed regional director to act as liaison officer between the Leagues of the region and the Association and to serve on the latter's Board of Directors. Now there are twelve regions, in each of which the Leagues elect every second year a member to serve as their regional director.

At the time the Association was first formed most League activity was in the realm of social work but the Board of Directors, realizing the opportunities which would eventually offer themselves to Junior Leagues, set down in the constitution the social, economic, educational, cultural and civic fields as those in which Junior Leagues should interest their members.

Gradually the Leagues realized that a benevolent "doing for others" was not enough, that they must form a partnership with professional community workers to effect the improvement of conditions. To do this required knowledge. As evidence of this the first course for provisional members was established in 1921 and such a course, which includes an examination of the various forces at work in the community, has been a prerequisite for

active membership since 1927. Originally League projects were large enterprises—convalescent homes, day nurseries, curative workshops and the like. It was discovered, however, that to support these undertakings a disproportionate amount of time and energy often was going into money-raising to the exclusion of the educational process of volunteer service. Today where Leagues have projects the recommended type is one in which the demonstration element is present, the choice being based on the needs of the individual community in the light of the interest and money-raising capabilities of the League.

The League's realization of the need for expert guidance in their welfare activities soon led to the establishment of a trained social work staff at the Association's offices. Members of this staff were available for visits to Leagues to study the local situation and give advice. Similar service was then made available for Children's Theatre, Arts, Ways and Means, and Publicity. The Association also publishes the *Junior League Magazine*, issued monthly to each Junior League member. At the present time the Association has 181 member Leagues, 173 in the United States proper, one in Honolulu, one in Mexico City, and six in Canada, comprising a total of some 60,000 members.

HISTORY OF THE WINSTON-SALEM JUNIOR LEAGUE

The local League was organized in 1923 by about forty of the girls and young women of Winston-Salem with Mrs. Thurmond Chatham as president. We were the 46th League to be admitted to the Association, and the first in North Carolina.

During the second year, under the presidency of Mrs. Paul Montague, our League adopted the point system, and sponsored a pre-natal clinic, which, at the time, was the only one of its kind in North Carolina.

In 1925, with Mrs. Kenneth Mountcastle as president, we brought Will Rogers and the de Reschke quartet to town, opened a gift shop, and began a training course for Provisional members.

During Mrs. Fay Huntley Spencer's (now Mrs. Edwards) administration we undertook the financing of our Hospital for Incurables.

In March, 1928, Mrs. Charles Long become president and on the fifteenth of that month we opened a Beauty Parlor. On May fifteenth we had Paper Day. In this same year the Arts and Interests and Children's Play Committee was formed.

In 1929 Mrs. Ralph Hanes was elected president and was instrumental in starting our monthly Newssheet with Miss Dell Norfleet as its first editor.

In 1930-31, under Mrs. Elsie Hines Norfleet's (now Mrs. Charles Siewers) leadership, we became more nationally minded with respect to the Junior Leagues of America, and began to take a more active part in community affairs as well. We helped to organize the Civic Music Association, began our yearly assistance to the Community Chest Drive, opened a Rag Market (later the Thrift Shop), and initiated Occupational Therapy classes in our hospital.

With Mrs. James Hanes as president in 1932, work began on a placement system, and under Mrs. Linville Martin in 1933, we put the system into effect.

From 1934 to '35, with Mrs. James Hanes serving her second term as president, the League's most important work was the continued operation of the Hospital for Incurables.

In 1935, under Mrs. W. H. Sprunt's presidency, the Winston-Salem Play Group was chosen to represent the medium-sized Leagues at the Children's Theatre Conference in Baltimore.

In March, 1936, Mrs. W. K. Hoyt was elected president. During her term of office we employed a Professional Placement Secretary, and the League as a whole became more familiar with the needs of the community. On June 1, 1937, after the opening of the Forsyth County Hospital and the satisfactory placing of all our patients, the Hospital for Incurables was closed.

In the spring of 1937, we assisted in the organization of the Mental Hygiene Society of Winston-Salem. This society asked the League to finance a Child Guidance Clinic for a demonstration period, and on November 1, the Clinic was opened in the League's Hospital Building. Through professional Placement secretaries we were able to give specialized training to our volunteers.

In 1938, Miss Aurelia Plumly (now Mrs. Ralph Spaugh) was elected president. The League at a cost of \$1,200 per year, continued to sponsor and finance the Child Guidance Clinic, which was under the supervision of the Mental Hygiene Society. Our projects included assistance at the Christmas Exchange, the new Hall of History, and the presentation by Jr. Programs, Inc., which we brought to town. The chief undertaking, however, was the bringing to the community of four New York Dramas of the Contemporary Theatre Series, from which a profit of \$5,000 was made.

With Mrs. A. S. Johnson as president in 1940, the Child Guidance Clinic was moved to new quarters, reorganized, and became affiliated, through its director, with the Bowman Gray School of Medicine in this city. The play group was most active and received national acclaim for its excellent work. Acting on advice from Mrs. Dingman, Secretary of Ways and Means of AJLA, our system of budgeting was revised and a plan for maintaining separate accounts for Administrative and Community Program funds was put into effect. A plan was worked out for conservative spending of the surplus over and above a contingency fund.

In March, 1941, Mrs. Linville Martin was elected to serve as Director of this Region for a two-year term.

The League joined with other interested community groups in forming the Children's Theatre Board, whose purpose is to provide a year-round program of entertainment for the city school children. The League is represented on this Board by the Children's Theatre Committee chairman and two other members of the committee. The Board is responsible for the promotion, financing, and transportation of the children to the entertainments it sponsors. The League's major production became a part of the Board's yearly series, and the League ceased the annual trouping of a smaller play to the city schools.

During the presidency of Mrs. Thomas Rice, from 1941-43, many changes took place. The program of planned expenditure of surplus, advised by the AJLA Staff, was begun: \$3,000 was donated to the Red Cross War Fund, \$1,000 was given to the Library Fund of the Winston-Salem Teachers College, and \$5,000 was given to the Family Service Agency for the establishment of a Child Placing Agency.

A Radio Institute, conducted by Miss Gloria Chandler, AJLA Consultant, began our entrance into the cultural field, and the League allocated \$4,500 to the Community Council for the development of the Radio Plan.

In 1942 the Director of the Child Guidance Clinic resigned, and no replacement was available. The Clinic was evaluated by a

special committee which recommended that it be closed.

Mrs. Helen Lipscomb, of the Staff, conducted a Board members' institute.

The League was very proud to have one of its members, Mrs. Linville Martin, elected President of the Association of Junior Leagues of America. On March 1, 1943, the gift shop was sold to Miss McPhail.

During the term of Mrs. Irving Carlyle, 1943-44, the League began to feel the full impact of World War II. Many of the younger members were away with their husbands, who were in service, while those at home devoted the major part of their volunteer service to war-related activities, such as Red Cross, Bond Sales, Rationing Board, and USO.

A Cultural survey of the community was made by Miss Virginia Lee Cromer, AJLA Arts Consultant, which revealed a need for the development and expression of the creative arts.

From 1944 to 1945 Mrs. George Walker served as president. The League voted to support the Radio Council for a three-year period, allocating \$2,500 per year. A donation of \$1,000 was made to the Wachovia Historical Society to provide a part-time Director for its Museum. The League gave \$600 to the Piedmont Festival and assisted in the sale of tickets to its performances.

In 1945 the Beauty Parlor was sold because the League deemed it unwise to operate a shop in competition with local business, and its community service program was amply protected by a contingency fund.

In a Staff visit for the Arts program, Miss Cromer advised: "Conditions in Winston-Salem indicate that the League would be wise to strengthen already established agencies; i.e., museum, library, recreation department, public schools . . ."

In 1945-46, upon the return of many members who had been away during the war, the League expanded its program under the leadership of Mrs. Thomas Moore, and, on the advice of AJLA, donated the major part of its surplus to the community. Three Staff visits, two in connection with League finances, and one for the Arts program, helped to get the plans under way.

A portion of the invested surplus, consisting of four hundred shares of Reynolds B stock, was turned over to the community: fifty shares to the City-County Hospital; fifty shares to the War Memorial Building Fund; one hundred twenty shares to the Mental Hygiene Society; one hundred eighty shares to the City Library.

The Junior League Hospital Building was deeded to the Winston-Salem Foundation.

The League brought Mrs. Chester Marsh to the community for a three-year demonstration as Arts and Crafts Director for the City Recreation Department, which made space available for a Workshop to carry on the activities.

From 1946-47, Mrs. Bowman Gray served as president. During the summer a story-telling program was conducted at the Wachovia Museum. In January a Staff visit for reorganization of the Thrift Shop resulted in improved management of this project, and we were advised to appoint a project-finding committee.

The League continued its financial support of the Radio Council and the Arts and Crafts program. A survey of fifty-six groups in the community revealed interest in the establishment of an Arts Council, and \$7,200 was put aside from surplus for the employment of a Community Arts Coordinator when the Council proved its readiness to handle the money. The remainder of the invested surplus was donated as follows: \$1,800 to the City Library; \$950 to the Radio Council.

The League contributed \$500 to the Piedmont Festival and sponsored a concert of the newly-formed Winston-Salem Civic Orchestra (now the Winston-Salem Symphony) by selling tickets and handling newspaper and radio publicity. \$750 was given the Leisure Time Division of the Community Council for a coordinator of youth activities at the Fairview Playground, which is in an area not served by any other organization.

During the two-year term of Mrs. Robert Lawson, from 1947-49, a change in the Arts and Crafts Program took place. Half-way through the three-year demonstration, the City Recreation Department withdrew its support when the building which housed the Department was sold. The advice of AJLA was sought, and a visit from the AJLA Arts Consultant, Miss Virginia Lee Cromer, helped to clarify the situation. In the letter of recommendation following her visit, Miss Cromer advised that a strong Board with committee structure be formed for the Workshop. An Interim Committee, composed of League members and others interested, was formed for the Workshop. This committee organized the Arts and Crafts Association, which assumed responsibility for the administration, financing, and promotion of the Workshop. The League agreed to pay the salary of the Director for a three-year period ending October, 1950, and pledged its support to see the program stabilized in the community.

Further advice in Miss Cromer's letter of recommendation was that: a Board Members' Institute be held; we considered ways of lightening the president's job in order that she might be able to serve for two years; our League should adjust its thinking concerning projects, and should know the workings of any agency with which we have a project in the future.

The League voted to contribute \$500 per year for a two-year period toward the support of the Children's Programming Committee of the Radio Council, and also loaned \$1,200 to this committee for the transcription of a radio series, "Storytime."

Mrs. Albert Butler, Jr., was president during the year 1949-1950, when our financial commitments to the Radio Council and to the Arts and Crafts came to an end. The League voted to continue its yearly appropriations of \$3,000 to the Arts and

Crafts Association through March 1951, \$250 to the Piedmont Festival, and \$250 to the Winston-Salem Symphony.

Working with the Piedmont Festival and the Chamber of Commerce, the League helped to organize the Arts Council.

A Project-Finding Committee was appointed.

During the term of Mrs. Clifton Pleasants, 1950-51, the League voted to release the gift of \$7,000 which it had held in trust for the Arts Council, and in August 1950, Miss Gertrude Elliot was employed by the Council as Coordinator.

The request of the Arts and Crafts Association for further support of the Workshop in the amount of \$3,000 was granted through March 1952. \$250 was given to the Winston-Salem Symphony Association. The Junior League play, "Indian Captive," was presented to the county school children at the Mineral Springs Auditorium.

From 1951-52 Mrs. John Whitaker served as President. The Arts Council established an Art Center by moving its member groups, including the Workshop, into a building owned by the Winston-Salem Foundation.

The Project-Finding Committee received a letter from the Arts and Crafts Association, requesting that "... the Junior League consider association with the Arts and Crafts on a permanent basis." The Board turned down this request for permanent support and recommended to the League that it ask the Association to make a specific request.

The League was advised by AJLA to evaluate, to continue Project-Finding, and to have a League Administration Institute. A comprehensive evaluation of the League's administration and program was made. Mrs. Emma Buettner, General Program Consultant from AJLA, conducted the League Administration Institute, and upon her advice a Manual of Procedure was compiled for the use of Board members.

The county school children were brought to Reynolds Auditorium to see the Junior League play, "Tom Sawyer."

After careful consideration, the Board voted to release the Children's Programming Committee from its obligation to return to the League the \$1,200 loaned it for the purpose of transcribing "Storytime."

On March 31, the League's financial contribution to the Arts field was completed through coordination of fund raising for the Arts groups under the Arts Council.

The League entered its 30th year with Mrs. Frank Borden Hanes as president. The Project Finding Committee was reactivated, and after long and hard studies in the many fields open for our sponsorship, a Children's Program emerged as the most popular field for a project. After further studies the League voted a three-fourths majority for a Children's Activities Program at the new City-County Library. A letter of contract was drawn up between the Library Board and the Junior League, allocating \$1,500 to the Program the first year, and limiting the League's sponsorship to three years.

The 30th anniversary was celebrated with a Mardi Gras Ball

on February 6. Commemorating the League's 30 years of volunteer service, the Public Relations Committee published a Brochure interpreting the functions and purposes of the League.

The Thrift Shop was budgeted for \$5,000 to assure the League of sufficient funds to undertake its new project, maintain a contingency fund and continue its membership in local organizations. To help raise this money, a fall Fashion Show was held and a Strip for Thrift dance during the anniversary celebration. Both of these functions netted the Thrift Shop approximately \$1,000 and they were able to turn over to the League in March, approximately \$4,800.

"Beauty and the Beast" was presented to the City School children in March.

The League continued its interest in the Arts Council by voting to give them \$500 to assist in financing their expanded program and again voted to support the Arts Follies one hundred per cent.

At the annual conference in May, Region V was divided and Region XIII formed. We thereby became a member League of Region XIII.

ANNUAL REPORTS OF BOARD OF WINSTON-SALEM JUNIOR LEAGUE

REPORT OF THE PRESIDENT

The Winston-Salem Junior League was most fortunate to begin its 30th year with an enormous amount of spadework already accomplished—the work of the Evaluation Committee. With a Board Manual of Procedure including duties, calendars, and procedures for each job, continuity of the Executive Committee assured by the Treasurer serving two years, and Special Committees set up to avoid an unwieldy Board, Administration in the League was strengthened considerably. The League also followed through on the Evaluation Committee's recommendations to broaden the scope of League program. Our financial commitments to the Community were over, and the time seemed ripe to proceed on new plans.

The total membership of the Junior League is now 355, 19 of whom are Provisionals. Until their Placement interviews this Fall, they will be taking a well-planned course in Community and League affairs.

Three Conferences were attended during the year by elected delegates. To the Association Conference in Lake Placid, you sent your President and Mrs. Spencer Hanes, Jr. The Regional Conference was held in Atlanta, Ga., and we were ably represented by Mrs. Charles Wade, Jr. and Mrs. Claude Strickland, Jr. The President attended President's Council in Columbia, South Carolina.

In October, we were fortunate to have a visit from Mrs. Moragne Whitney, director of Region V, who gave us an intimate picture of the Association, and good advice on the workings of our League.

Other contacts with the Association have included my visit with Miss Ina Bacon at Association Headquarters in New York to discuss project plans; correspondence with the Staff; and announcements and requests handled by the Board and League whenever necessary. Per capita dues have increased from \$5.00 to \$5.50, but our League was able to absorb this without raising our membership fee. The Board studied the problems of Leagues in Metropolitan areas, initiated by the Boston League, and sent our delegates to Regional Conference prepared to discuss this issue. Winston-Salem is behind the move to split Region V into two Regions. North Carolina and South Carolina will become Region XIII, Georgia and Florida will remain Region V. This will be voted on at the next Association Conference.

There were nine regular meetings of the Winston-Salem Junior League held during the year, and the average attendance was 119. The Annual meeting in April was held at night to include all classifications of membership. The employed members had four regular meetings and one called meeting. These meetings were conducted by the Vice-President.

Although detailed reports of the officers and committee chairmen are incorporated in this yearbook, in order to summarize our year's work, I shall have to touch on each of them briefly. It has been a full year, and I shall be ever indebted to the Board for their tireless and loyal devotion to their duties.

The Project Finding Committee was re-activated and met in September to start their investigations. After thorough study was made on all requests, and speakers on each project had been presented to the League, the Membership met in December to vote their choice of the three proposed projects. It was decided that a three-fourths majority for a project should be required. One project was discarded by the first vote, but no clear majority was reached between the remaining two. In January, the request for the second project was withdrawn, and the League voted to undertake a Children's Activities Program in the new Public Library. A letter of contract was drawn up between the Library Board and the Junior League by the President and the League lawyer. \$1,500 was allocated for the first year, and our sponsorship was limited to three years. Copies of the contract are in the files of the President, Treasurer, and Library Chairman.

Because of an unusual amount of League business to transact, the Education Committee was limited in the scope of outside programs. They were able to present a few, however, and they were well-planned and well-presented. This committee also planned and executed the small group meetings in connection with the final decision on the project. Membership attendance at these meetings was record high, and showed the careful thought behind them. The League voted in June to make the Legislative Chairman a member of the Education Committee. This was done, and the activity of this chairman was confined to working with the Ballot Battalion, meeting with the State Legislative Committee in Raleigh, and informing the Membership of citizen's duties. No bills from other Leagues were sent for our approval.

The Placement Committee studied all possibilities of correct placement procedures, and was able to present a clear and fair picture to the League at the end of the year. They evaluated all Placement jobs and clarified Placement standards. Four new fields of volunteer opportunities in the Library, both Hospitals, Old Salem, and the Child Guidance Clinic, have been added to the Placement program, which should stimulate new interest among many of our volunteers. The talent file and statistics on sustaining members have been brought up-to-date. There are 81 League members serving on 21 different community boards. Almost every Community Agency using volunteers has Junior League help.

The Newssheet had one new feature this year. In connection with the League's 30th Anniversary, "Way Back When" was introduced. It consisted of excerpts from the files of old News-sheets.

The Public Relations Committee increased its activity due

to the potential news-worthy items in connection with the 30th Anniversary. A full-page "spread" in the Journal and Sentinel featured the Mardi-Gras Ball, and included a resume of the League's 30 years of community service. A Brochure was prepared with infinite care interpreting the functions and purpose of the League. The Newspapers printed pictures and articles of our Thrift Shop, new project, and many other important League activities, and this helped to bring to the public an accurate account of Junior League purpose.

The Finance Committee budgeted the Thrift Shop for \$5,000 this year so that the League would have money to spend on a project and on worthwhile requests from the Community, and to set up and maintain a contingency fund. The League remained a member of local organizations and added another to its list. A gift of \$500 was made to the Arts Council to assist in financing their expanded program. \$1,500 was set aside for the Library project, and an equal amount has been set aside as a contingency fund and will be invested in Building and Loan to draw interest.

The Ways and Means Committee was mainly concerned with ways of helping the Thrift Shop secure additional merchandise in order to meet its increased quota. They recommended a Fall Fashion Show and a Strip-For-Thrift dance. The League approved these suggestions and a chairman of each activity was appointed. These functions proved successful, and brought in about \$1,000 for the Thrift Shop. The committee felt it might be advisable to move the Shop to larger quarters, but after intensive investigation by one of its members, the Membership decided a move would be too costly, and voted to remodel the Shop in its present location.

The Thrift Shop in an effort to increase the profits of the shop this year began the year by asking the Membership to increase their quota of rummage from \$20.00 to \$25.00, and the volunteer hours from five to six hours. This was accepted, and with the extra Ways and Means projects, the Thrift Shop was able to turn over approximately \$4,800 to the League. The Shop has been proven to be an excellent way to earn money for our Community Fund in an over-burdened city, previously committed to other fund drives.

"Beauty and the Beast" was acclaimed by 4,200 city school children, but due to an unavoidable misunderstanding, the County children were not able to participate this year. It is hoped that this can be avoided in the future. Manuals were made for each of the nine committee heads. They helped define the different jobs to everyone's satisfaction.

An article on the Winston-Salem Arts Council was submitted to the Magazine, and appeared in the March issue in a composite article. A write-up of the 30th Anniversary celebration with pictures has been submitted to the Magazine.

The By-Laws Committee revised the League's Admissions system, strengthening the vote of the Admissions Committee and

dropping the vote of the Board. This Committee recommends that this system be evaluated after two years and changed if necessary. Another By-law change involved the Administrative structure of the League. It is no longer mandatory for the past President to serve on the Executive Committee.

With the visit of the Regional Director, the 30th Anniversary, the Christmas dance, the Provisional Coffee and the June luncheon, the Hospitality Committee had an unusually heavy schedule. This committee worked with a special committee to plan the 30th Anniversary dance. They combined three functions into one, so that the sustaining and provisional members were honored at the same time the Strip-for-Thrift dance was held. Thus, the Mardi Gras Ball was evolved.

In connection with the 30th Anniversary, a detailed history of the Junior League was written, and this will be put in the permanent files. The history will be kept up-to-date, and will be valuable reference material.

The Library asked the Junior League to sponsor and finance the Museum of Modern Arts' traveling exhibit, "Musical Themes" from April 26th to May 16th, 1953. The Board voted to accept, believing this to be a wonderful opportunity to benefit the Community and the League. A portion of the \$1,500 allocated for the Library will be spent on this project. Members of the Cultural Arts Committee will handle publicity, promotion, and the technical end. The new Placement Committee will supply volunteer guards during the hours the exhibit will be open.

The League voted to support the Arts Council Follies 100% in 1952, and again in 1953. In this way, we hoped to help an old project become financially independent.

The delegates to National Conference in April of 1952 were proud of our League's exhibit on evaluation. Many requests from other Leagues for copies of our Board Manual of Procedure proved its success.

In looking back, the Junior League has experienced a full and satisfactory year. We accomplished much, but there is more to be done and there is an increasing pressure on members to fulfill the many obligations. This is a challenge that the Junior League has never failed to meet, so I am confident that the next 30 years will be as happy as the past thirty.

It has been a privilege to serve as President this year. My associations with the Board and Membership were most pleasant and gratifying, and I would like to extend my thanks to each of you.

Respectfully submitted,
BOB-ED L. HANES

VICE-PRESIDENT

The Professional members of the Winston-Salem Junior League held four regular meetings in 1952-53, in April, October, December, and February, one call meeting in March and one coffee meeting in November. The coffee meeting and the February meeting were held in homes and the others were held at the Arts Council Center. There were 22 regular members in this group with two others who attended when their part-time jobs made it impossible for them to attend the regular meetings. At the end of the year our members numbered 19, two girls having moved out-of-town and three having become regular members, eight new provisionals were added to the group at the February meeting making the total membership of the group number 27.

All of the important business matters that occurred during the year were brought before the members and, like the full League meetings this year, much time was spent concerning projects and by-law changes. Appropriate Board members were invited to attend the professional meetings regarding these two meetings of great importance (projects in December and by-laws in February and March).

The Professional's ability to serve in a variety of volunteer jobs in the committee has always been limited and the members are pleased that two new volunteer possibilities have come out of this year's discussion. They have shown much interest in Library opportunities and also in recreational therapy. It is very important for all professional members to work on the same project with the League at large whenever possible and these new placement fields seem to hold much promise of this.

Approximately ten of the professional members were volunteers for the Arts Council Follies, both selling tickets and participating in the production and they plan to give their time in this same way for the second Follies production since this fits ideally into their working schedule.

Respectfully submitted,
KATHARINE BAHNSON

RECORDING SECRETARY

The total membership of the Winston-Salem Junior League is 355, classified as follows: active 163, sustaining 142, non-resident 26, inter-League 5, and provisional 19.

From April, 1952 through March, 1953 nine regular League meetings were held. There were eleven regular Board of Directors meetings, and two called Board of Directors meetings.

Minutes of each meeting have been recorded and sent to the President. Minutes of all Board meetings have been sent to the President, our regional director, and all absent Board members. Filed with the minutes are all important reports from delegates to conference, officers or committee chairmen.

A classified list of all members and their addresses was sent

to the Association on April 1, 1953. The new provisionals were reported to the Association during February, 1953.

The 1953-54 Year Book was compiled with the help of the Corresponding Secretary.

Respectfully submitted,
EMMY LOU H. PARRISH

CORRESPONDING SECRETARY

During the year, April 1952 through March, 1953, 72 letters were written by the Corresponding Secretary. Of this number, 58 dealt with changes in membership and 14 with miscellaneous Junior League business. Most of the President's correspondence was handled by her secretary.

Correspondence concerning membership status covered the granting of: 14 transfers, 5 active to non-resident memberships, 5 non-resident to active memberships, 5 inter-league cards, 3 resignations and 1 re-instated provisional.

The following members were transferred from Winston-Salem: Mrs. Coleman Walker to Stamford, Conn.; Miss Julia Stokes to Raleigh, N. C.; Mrs. Henry Frank Starr to Greensboro, N. C.; Mrs. Thomas Chatham to Boston, Mass.; Mrs. Robert O. Whaley to Richmond, Va.; Mrs. Daniel Howland to Columbus, Ohio; Mrs. Charles S. Venable, Jr. to Raleigh; Miss Carol Street to Raleigh; and Mrs. Maxwell Snead to Greensboro.

The resignations of Mrs. Jess Reid, Mrs. Mabel Healey Lassiter, and Mrs. Ben F. Huntley, Jr. were accepted.

Letters or notices were sent monthly to the Board members. Yearbooks were sent to the transfers and copies of our Board Manual were sent to many Leagues requesting them.

The Corresponding Secretary assisted the Recording Secretary in the publication of the 1953-1954 Yearbook.

Respectfully submitted,
JANE F. HOBBS

ASSISTANT TREASURER

DOTIE CRUMP

ADMISSIONS

The Admissions Committee held ten meetings to consider candidates for provisional membership.

The following were elected by the Board to become provisionals: Mrs. Jack Barnes (Frances Hussey), Mrs. Charlie Frank Benbow (Bette Baxter), Mrs. Ted Blount (Liebe Emerson), Miss Madeline Combs, Mrs. Peyton Cox (Mary Carolyn Baker), Mrs. Robert Cox, Jr. (Katherine Ives), Miss Martha DeHart, Mrs. Peyton Marshall (Lucy Lunn), Miss Nancy Vaughn Martin, Mrs. J. BY-LAWS

The By-Laws Committee was assigned the job of revising the League's Admissions system, with the suggestion that election of provisional members be placed entirely in the hands of the Admissions Committee.

A study was made of the procedures used by twelve other Leagues in Region V. It was found that the method of nominating and electing the Admissions Committee, as well as the number of members who serve, varies, but all Leagues in this Region give the committee the power to elect the provisionals. Following its study and discussion of the systems of other Leagues and a review of past procedures in this League, the committee drew up a set of recommendations which were discussed with this year's Admissions Committee. A set of proposed changes, incorporating these recommendations, was presented to the membership, and after discussion and revision was adopted. The major changes are: the vote of the Board has been dropped; the number of affirmative votes necessary to pass the Admissions Committee has been increased; the power to nominate, as well as to elect, the Admissions Committee has been given to the membership.

The By-Laws Committee recommended a method for limiting the number of provisional members to be admitted each year, but this was voted down by the membership. A proposal from the floor to enlarge the Admissions Committee and to make the vote less restrictive was likewise voted down.

Due to the important and far-reaching effects of the Admissions system, the By-Laws Committee recommends that it be evaluated after two years' experience under the new set-up (in March, 1955). It is suggested that this evaluation be made by the chairmen of the Nominating and Admissions Committees during the next two years, and that their findings be presented to the Board and to the membership. We also recommend that the advisability of a less restrictive vote with a quota be further considered.

Another By-Laws change was made involving the Administrative structure of the League. This was to strike out the provision making it mandatory for the president to serve on the Executive Committee and the Board the year following her term of office. This provision had been included to insure continuity in Administration; however, it was emphasized during the President's Council that this purpose is best served through more officers and committee chairmen serving second terms in the same jobs.

Fifteen meetings were held by this committee.

Respectfully submitted,
ELIZABETH N. WHITAKER

CHILDREN'S THEATRE

"Beauty and the Beast" was given to approximately 4,200 city school children in two performances at Reynolds Auditorium. The first actual performance, however, was the usual paid dress rehearsal, attended for the most part by League members, husbands and children. This performance netted \$31.00 which was used to buy some permanent equipment for the scenery committee.

Due to a misunderstanding concerning the selection of the play and the time for its presentation, the county schools did not care to have us play to them this year, but it is hoped that in the future a satisfactory arrangement can be worked out whereby the county can be included in the early planning of the League play group and the Children's Theatre Board.

Manuals have been made for each of the nine committee heads. These proved to be a great asset in clearing up the mystery of how far each committee's duties extend.

The cast was a small one this year, and for that reason the various backstage committees were smaller too. It went very smoothly with no casualties, mishaps, or postponements.

Respectfully submitted,
BUNGY VALK

CULTURAL ARTS

The Cultural Arts Committee has met once during the year at which time we discussed plans for the Art exhibit, Musical Themes, which is being sponsored by the League beginning on the 26th of April. This exhibit is being held in the new Library and is rented from the Museum of Modern Art.

We have each worked individually in every phase of the work of the Arts Council since there was no particular job for us as a Committee. We have served as hostesses for two Sunday afternoon forums and helped with the food booth at the Fair last fall.

The Chairman attended the Board meetings of the Arts Council and has tried to relay any information from the Council to the League that was of any importance or interest.

We are proud to record that the League voted again this year to support the Follies with our 100% volunteer support.

Respectfully submitted,
COPEY HANES

EDUCATION

The Education Committee again this year did not have any theme, due to the important business and decisions to be made throughout the year during the membership meetings. When time was available, we tried to keep in mind the varied interests and activities of the League and its members.

The following is an outline of the programs presented during the year:

April—Annual Meeting—Film, "V For Volunteers"

May—Lake Placid Conference Reports—Bob-Ed Hanes and Lyell Hanes

June—Luncheon—Fashion and Flower Show by Hospitality Committee.

October—Margaret Whitney, Regional Director

November—Project Finding Committee—Mr. Ralph Hanes, Library; Mr. Stanley Kimball, Arts Council; Dr. Robert Lawson, Convalescent Home

January—Business Meeting, "Discussion and Decision on a Project"

February—Mrs. Hannah Williams—A film on cancer, "Self Examination of the Breast"

March—"Music in the Arts"—by music students from R. J. Reynolds High School; Mr. Bill Waters, Director

April—Annual Meeting—"A Skit"—by Ann Rush. Summary of League Committee's accomplishments.

In connection with making the final decision on our project, the Education Committee planned seven coffee group meetings, the members of the Committee being the hostesses; one hundred and fifty-eight members attended their assigned meetings.

This year the Legislative Committee was a part of the Education Committee, under the leadership of Elsie Orr. Two members of the Committee, Betty Mauzy and Margaret Wade, attended the State Legislative Meeting in Raleigh on October 28. Elsie Orr was the League representative on the Ballot Battalion. She informed our members when and where to register and vote. On the day of the national election, the members of this Committee were "on call" to take League members to the polls.

Please let me take this opportunity to thank, most sincerely, the members of the Hospitality Committee, Project Finding Committee, Education Committee, Ann Rush, and other members taking part in the skit, for their wonderful co-operation and enthusiasm.

Respectfully submitted,
MARGARET P. WADE

FINANCE COMMITTEE

The Finance Committee met periodically during the year to study and supervise the financing of the League's administrative and community programs. Recommendations were made to the Board in this regard.

By vote of the Board a membership fee of \$25.00 was paid to the State Legislation Committee; also, \$25.00 was given to the Forsyth County Ballot Batallion. This, in all probability, will be an annual request.

In January, the Arts Council requested \$500 to assist in financing their expanded program for the current year. This request was approved by the Board and League at large.

Upon selecting the Children's Activity Program at the Library as a project, the League obligated itself in the amount of \$1,500 for the coming year. An equal amount has been set aside as a contingency fund and will be invested in the Building and Loan to draw interest until needed.

The League voted to remodel the Thrift Shop this year. The Shop will try to absorb this expense itself. However, the League has sufficient funds available to supplement the project if necessary. If not used, these funds should be invested and added to the contingency fund.

The Thrift Shop paid the League \$4,696.96 during the year. The amount budgeted for the Thrift Shop in 1953-54 will be decreased since the contingency fund has already been established and because of the added expense in remodeling the Shop.

All dues were collected except one. This case, along with another, was granted honorary membership. These members will be entitled to all the privileges of the League without financial obligations.

The 1953-54 budget was drawn up and submitted to the Board and League. It was approved and accepted.

Respectfully submitted,
ALICE M. BROWN

HOSPITALITY

This year has been an unusually busy one for the Hospitality Committee. In addition to our usual parties and duties we have had a staff visit and the celebration of the Winston-Salem Junior League's thirtieth anniversary.

Our activities began with the June meeting which was held at the Forsyth Country Club. Following a short business session the active and sustaining members were entertained at a luncheon. Our committee planned a humorous program which was presented during the dessert course. One hundred and forty-three members were served luncheon and everyone seemed to have a good time.

Our fall and winter social functions began in October.

On the sixth and seventh we were hostess to Mrs. Moragne Whitney, director of Region Five. It was our pleasure to see that she was entertained while visiting our League.

The Christmas dinner-dance, on December twelfth at the Forsyth Country Club, was another event planned by the Hospitality Committee. Music was furnished by Jimmy Meyers' Orchestra and one hundred and twenty-nine couples attended this gay and festive affair. As is customary, teen-age gifts and money were brought for the Toy Shop.

February was most eventful with emphasis on the new Provisional members and the League's thirtieth birthday. On the night of the third, the Hospitality Committee entertained the Provisionals at a dessert-coffee at the home of Mrs. Frank Dunn, vice-chairman of our committee. This proved a happy and informal way for the Provisionals to meet the old and new Executive Committees and the Provisional Committee. Much thought went into the planning of the celebration of the League's thirtieth anniversary. A special committee headed by Mrs. Sam Orr was appointed by the Board. In planning the entertainment, the committee wanted to have something that would appeal to the three groups of League members; namely, Provisional, Active, and Sustaining. It was also suggested that the Strip-for-Thrift Ball (a special project of the Ways and Means Committee for the Thrift Shop this year) be combined with this party. Thus the idea of having a Mardi Gras Ball evolved. It was given on the night of February the sixth at the Oldtown Club. The Hospitality Committee bore the major expense of the party and was responsible for the decorations.

The work of this committee has been cheerfully and capably handled by its members and I welcome this opportunity to thank each girl for her support.

MAGAZINE

The Junior League Magazine is published monthly, October through June, inclusive. During the past year the Magazine made many changes in its staff and Mrs. Irene Parrott is the new

editor. The Magazine has also undergone a complete "face-lifting" job on covers, page lay outs and type styles. In addition, Mr. William Conover, Advertising and Business Manager, has been secured to build the advertising program for the Magazine which will help defray the expenses.

An article on the Winston-Salem Arts Council, with pictures accompanying, was sent to the Magazine in October and appeared in a composite article on Arts Councils in the March issue.

A write-up of our Thirtieth Anniversary with many on-the-spot pictures taken at the dance was also sent to the Magazine.

To the Tidings Editor, announcements of births, adoptions, marriages and deaths have been sent monthly. Tidings, except for death notices, closes sixty days in advance, and no notice more than three months old will be accepted.

A complete file of all correspondence and magazines for the year has been kept.

Respectfully submitted,
SARA E. DONOVAN

NEWSHEET

During the year 1952-53 nine issues of the Newssheet were prepared and printed. The regular staff published all issues with the exception of the January Newssheet which was written by the Provisionals.

The committee has continued to report League activities and community news of interest to the League. We have tried to use more illustrations and a wider variety of feature articles. One new feature, "Way Back When," was introduced in connection with the League's thirtieth anniversary. It consisted of excerpts from the files of old Newssheets.

Advertising was continued in the usual manner throughout the year.

We have exchanged Newssheets with all Leagues in Region V including the two new ones in High Point and Wilmington and also with several other Leagues in the Association.

Respectfully submitted,
LILLIAN K. MARION

NOMINATING

At the November League meeting the straw ballot for officers was presented to the membership—in order to give the committee ample time to select a slate. Using the straw ballot as a guide, the Nominating Committee began working immediately on nominations for League officers.

In December, a slate of delegates to the Regional Conference was presented to the Board.

Two weeks before the February League meeting, the Nominating Committee mailed the slate of officers for the Junior

League for 1953-54 to all active members. And the slate was presented to the membership for election at the February meeting.

Delegates to the national conference were voted on by the membership at the March meeting. Also, the committee presented the lists of those girls eligible for nomination to the Admissions Committee.

In April, the names of members eligible to serve on the Nominating Committee and the list of nominations for the Admissions Committee were presented to the League.

ELIZABETH B. BUTLER

PLACEMENT

It is impossible to calculate the number of volunteer hours given to the League and to the community by our membership this year. We know it would be a staggering total. The Fashion Show and the Strip-for-Thrift Ball for the benefit of the Thrift Shop were extra this year. The Project Finding Committee and all the ground work that went into the choice of a project. The By-Laws Committee with their thorough and extensive study of admission procedures; the Public Relations Committee and their all-out effort for the Brochure, these were additions to routine League business.

Much time and energy on the Follies—past and present. Forty-three girls produced the play. Thirty-seven League girls did volunteer jobs with the Radio Council. Thirty-eight worked for the Council.

A total of twenty-two are doing Scout work—fifteen as leaders; eighteen in Red Cross work; eight on YWCA committees; four at OB clinic. There are eighty-one League members on twenty-one different community boards.

We have added four new fields to our Placement Program this year. There are eight regular volunteers at Old Salem, Inc.; four at the Child Guidance Clinic; thirty-four signed up for the Library; sixteen are doing Recreational Therapy with convalescing children in our hospitals.

Upon recommendation of AJLA to keep in contact with our non-resident members, the Placement Committee mailed to each non-resident member a blank asking for information on their volunteer activity where they are now living. We have heard from sixteen, and they are all doing some form of community work and mention how much their membership in the Junior League has meant to them.

Mrs. Lois DeHart has helped compile statistics on our sustaining members, and this will be kept in the files.

The talent file has been brought up-to-date as recommended by last year's committee.

The League passed two by-law changes relating to Placement this year. The first pertains to the composition of the Place-

ment Committee. The new by-law reads as follows: "The Placement Committee shall be composed of a chairman, vice-chairman, interviewers, and such persons as they shall designate."

The second by-law change is an attempt to make clearer to the membership placement requirements for volunteer service. The new by-law reads: "Active members shall justify their membership by the equivalent of one-half day's work a week in established community agencies using volunteers and/or activities identified with the Junior League."

In addition, we have passed on to next year's Placement Committee several recommendations which we feel will be helpful. These were sent to the membership in a letter from the Placement Committee in March.

We would like to take this opportunity to thank each and every one who has cooperated so willingly and enthusiastically in answering the many calls for volunteer work.

The Placement Committee feels that the Junior League has had a most successful year and we are proud of our membership.

Respectfully submitted,
LYELL HANES

PROJECT FINDING

The Project Finding Committee met for the first time in September to outline and analyze our work for the coming year. At this time two girls were appointed to study each of the three projects under consideration. These proposed projects were—(1) A children's program at the new Public Library; (2) Salem Restoration and; (3) A recreational program for convalescent children in the City and Baptist Hospitals. Leaders in each of these fields in the community were interviewed in order to ascertain the needs and the suitability of League sponsorship and the reports from the interviews were discussed at our next meeting. It was decided, after a thorough investigation, that the request from the Salem Restoration Program should be rejected as a possible League project because their need was, primarily, for a small number of volunteers and their request was turned over to the Placement Committee.

At this time, our Committee received a new request from the Arts Council, asking that the Junior League be a co-sponsor of the Children's activities program. The request was investigated and the Committee decided that it should be presented to the League for consideration along with the two other projects.

Three men were invited to talk to the League at the November meeting, each one presenting the Project which he wished the League to adopt. Mr. Ralph Hanes spoke on the Children's Program at the Library; Mr. Stanley Kimball on the Children's activities of the Arts Council; and Dr. Robert Lawson talked on the convalescent care of children. He especially pointed out the great need for a new convalescent children's hospital and requested that the League be the "spark-plug" in getting such

a Hospital started in the city. Each speaker gave an excellent talk and presented a clear picture of his particular proposed project—pointing out to the League what would be involved both financially and volunteerwise.

The Committee requested that a series of coffees be given in November in order that the entire membership could meet in small groups to discuss the three proposed projects and to clarify any questions raised by individual members. A meeting was also held for Sustaining members and a number of Leagues which have projects dealing with children's Hospitals and Library Programs were contacted. Members of the Committee acted as group leaders for the coffees and the secretaries were chosen from the Board. It was felt that these coffees were highly successful and the primary fact established was that the League, as a whole, was now ready to undertake a new project.

The December League meeting was given over entirely to a general discussion of the three proposed projects and it was voted by the membership that a three-fourths majority was necessary to adopt any one project. A vote was then taken at which time the Program for the Arts Council Children's activities was completely eliminated. A second vote was then taken between the two remaining projects and a three-fourths majority was not established for either one.

In January, Dr. Lawson withdrew his request for the League to sponsor a convalescent Children's Hospital but he pointed out the still existing need for recreational care for the children of the City and Baptist Hospital. His letter was read at the January League meeting and (at this time) it was voted to turn this Program over to the Placement Committee. A final vote was then taken and the Winston-Salem Junior League voted to adopt the sponsorship of a Children's Program at the Public Library as our new project for 1953-54. The amount of \$1,500 was allocated from the Community Fund to be used for this project starting April 1st.

I want to take this opportunity to thank every member of my Committee for her excellent and untiring support and cooperation throughout the past year. I feel that the League has chosen carefully and wisely and that the new project will be a source of increasing pride in the years to come.

PROVISIONAL

On April 1st, 1952, we had seventeen Provisionals on the membership list of the Winston-Salem Junior League. Two of the group transferred as Provisionals to other Leagues, one transferred as an active member to another League, and one was granted a year's extension of time to complete her course, another was granted a two year extension of time to complete her course; the remaining twelve were voted into active membership in February.

The Children's Theatre Course was held in February and March; each girl chose the job in which she was most interested.

During the month of April, the Community Lecture Course was given; each Provisional selected the subject in our Community life in which she wished to do research work. Active members of the League were called on to work with Provisionals in securing sources of material for their papers. The following subjects were included: Health, History, Industry, Cultural Development, Recreation, Education, Government, Housing, Future Planning and Welfare. In addition to these lectures, seven field trips were planned in connection with the subjects discussed.

In May the girls met at the Thrift Shop and during June, July and August, they worked at the shop marking and selling.

A Radio Course was given in September, while the months of October and November were spent introducing the girls to Arts and Crafts Workshop.

The January Newssheet was put out by the Provisionals.

In February, 1953, sixteen new Provisionals were invited to join the Winston-Salem Junior League. The committee planned in outline form the year's work which was explained to each Provisional at an interview before she accepted her invitation. The Children's Theatre Unit, the discussion on History of the Winston-Salem Junior League and the Association of Junior Leagues of America, and two meetings of the Community Lecture Course have been completed.

There are nineteen Provisionals on the membership list of the Winston-Salem Junior League at this time.

PUBLIC RELATIONS

The Public Relations Committee was composed of a representative from five League committees, in addition to the chairman and vice-chairman. Other League committee chairmen were consulted when necessary. A meeting was held at the first of the year to explain our purpose and to plan the work for the coming year. It was pointed out that it is the sum total of impressions made on the public through the membership and their activities, in their policies, plans, and their project, that makes our public relations.

Our plans for the year centered on the fact that this was the League's thirtieth anniversary. The anniversary celebration, the Mardi Gras and Strip-for-Thrift dance, was featured in the Journal and Sentinel in a "spread" written by Miss Elizabeth Trotman, Woman's Editor of the Journal, which included a resume of the principal community services the League has rendered in the past thirty years.

Committee members met several times during the year to plan and prepare a brochure in honor of our thirtieth anniversary, interpreting the functions and purpose of the League. Copies of this brochure have been distributed to all members

of the League, agencies with whom the League works, the Chamber of Commerce, the editors and reporters of the newspapers, and the other Leagues in Region V.

An excellent newspaper story about the Thrift Shop was written by Miss Trotman for the Journal to publicize the fashion show given by a local store for the Shop's benefit. This story created much new interest in and business for the Thrift Shop.

A meeting was held to prepare an article for the Newssheet which might help to explain to the members the total League program, and the place of a project in our program. The ensuing articles, called "Let's Straighten Out Our Thinking," appeared in the January issue of the Newssheet. Also, a notice was printed in the Newssheet in February, asking members, when interviewed by a reporter, to point with pride that she is a member of the Junior League, since each member, through her activities is an interpreter of the League program to the public.

The Sentinel handled the press releases, received from Miss Kay Bailly, Public Relations Counsel for AJLA, as well as the coverage of the conferences. The monthly meetings and the Christmas dance, in addition to the feature on our anniversary and the article on the Thrift Shop, were covered by the Journal. All of these articles, in addition to all articles concerning League members' activities, were filed in a scrapbook for a permanent record.

A letter was written to Mr. Wallace Carroll, Executive Editor of the Journal and Sentinel, to express our appreciation for the splendid cooperation and service given to the Junior League during the year by the staffs of both papers.

THRIFT SHOP

The Thrift Shop Committee this past year has attempted to increase the profits of the shop to help the League build up the Contingency Fund. Many members as well as the Committee itself have worked extra hours to make this possible.

At the beginning of the year the League raised the Thrift Shop's quota to the League from \$2,500 to \$5,000. The membership also voted at this time to raise the member's quota to the shop from \$20.00 to \$25.00 and the compulsory working hours as salesgirls from five hours to six per year.

To assist the Thrift Shop raise this extra money the Ways and Means Committee set about finding projects that would bring in additional merchandise. A Fashion Show, with Mrs. John Creech as chairman, was held at Montaldo's on September 12th, for which the admission was a bundle of clothes. Mrs. Luther Upton and her committee marked the merchandise received, which was valued at approximately \$450.00. In February, a Mardi Gras Ball, under the chairmanship of Mrs. Sam Orr, was held at the Old Town Club. This event was a com-

bination of a Strip-for-Thrift dance, a 30th Anniversary celebration, and a party for the new Provisionals and Sustaining members, and prizes were given to the persons wearing the most articles. The merchandise given was marked again by Mrs. Upton and her committee and was valued at approximately \$435.00.

At the June meeting the League voted to have the Ways and Means Committee investigate any other locations that might be available for the Thrift Shop. This Committee completed their investigations and after hearing their report in January, the Thrift Chop Committee recommended to the membership that we discontinue the search for a new location and invest in redecorating and modernizing our present shop. It was suggested that an architect be asked to submit suggestions as to how it could best be done.

During the three weeks before Christmas we had displayed in the shop window six prizes, donated by members and all customers who came into the shop were given chances. We felt this was successful both for sales, which were up from the previous December and in good will publicity.

During the year the Marking Committees were reorganized and three committees were formed. One for Professionals which meets in the evening, and two which meet alternate Wednesday afternoons.

The new policy of holding commission goods went into effect the first of February. The shop will hold these goods for three months only, instead of one year, with two weeks granted to the consignee to pick up her merchandise, after which time it becomes the property of the shop.

The stock has been gone through periodically and liberal donations given to the Goodwill Industries.

The total sales for this year are \$10,906.84, the operating expenses and commission totaling \$6,620.58, showing a net profit of \$4,286.26. A total of \$4,696.96 was turned over to the League Treasurer.

As chairman, I would like to express my thanks for the help and co-operation given me by the members of this committee, and also to those League members who have given generously of their time.

Respectfully submitted,
ELEANOR B. REID

WAYS AND MEANS

The Ways and Means Committee first met in May, 1952 to make plans for the year and to review the duties and procedures of this committee. For the year 1952-53 the committee was mainly concerned with ways of helping the Thrift Shop secure additional merchandise in order to meet its increased quota to the League's Community Fund. After studying FINANCIAL FINESSE and Ways and Means of other Leagues, a list of suggestions was drafted for the Thrift Shop—ways in which to secure additional merchandise for year-round selling.

For the two large money-raising activities, the committee recommended and the Board passed the following events: The Fall Fashion Show, held in September, and the Strip-for-Thrift Ball which was held in February. Chairmen for these events were Mrs. John Creech and Mrs. Sam Orr, respectively. Both of these functions proved successful for the Thrift Shop since they brought in around \$1,000 worth of extra saleable goods.

The committee felt that it was advisable to explore possibilities of moving the Shop to larger quarters and more desirable surroundings, since it is the only money-making project the League has to finance its Community Program. After intensive investigation by Mrs. John Glenn, Jr. and her report to the membership, it was decided by the League to keep the Thrift Shop in its present location—mainly due to much higher building rents elsewhere. The membership voted to remodel the present shop rather than change the location.

Each member of this committee gave excellent support and cooperation to the chairman, and through their efforts the Ways and Means Committee was able to function successfully.

Respectfully submitted,
MARGARET W. TROTTER

Association Procedures Applying To All Leagues

INTER-LEAGUE MEMBERSHIP PROCEDURE

A member of any League who is subject to frequent change in residence may have an inter-League card issued to her by the League of which she is a member, accrediting her temporarily to the League in the city where she is then residing. An Inter-League member shall continue to be listed as a member of and shall pay her regular dues to the League which issues the card; she shall also have all privileges of membership in the League to which she is temporarily accredited, except the right to vote or to hold office; she shall comply with the requirements of such League.

Transfer of Members:

Provisional, active, sustaining and non-resident members in good standing shall have the right of transferring membership from one League to another. The right of transfer granted in this section need not extend to a person who has been dropped or expelled from membership by the League to which transfer is desired. Provisional members shall take any additional training required by Leagues to which they transfer. A League may require all active members who are applying for transfer to take an orientation course before their transfers are accepted. A League shall not be required to accept transfers which exceed twenty-five per cent of all admissions to membership in any one year. If it is necessary for transfers to be put on a waiting list, they shall be accepted in the order in which they apply.

Fiscal Matters:

The books of account of each League shall be audited annually by a certified public accountant. Members of individual Leagues who are delinquent in paying any indebtedness to the Association shall be considered in arrears in their dues to their own League.

Arranging Inter-League Memberships:

Section 1

Inter-League cards issued pursuant to Article II-B, Section 2, of the By-Laws, shall be for a term of one year, unless extended by the League to which the card is issued. Any extension shall be limited to an additional year.

Section 2.

The League to which a member is temporarily accredited may charge such member for special club privileges or for the actual cost of her membership.

Section 3.

(a) A member desiring an Inter-League card shall notify the secretary of the League to which she belongs.

(b) The secretary, or other authorized League official, and the treasurer of the League in consultation with the Placement Chairman shall be empowered to determine whether said member is in good standing.

(c) To a member in good standing the League secretary, or other authorized League official, shall issue an Inter-League card; notifying the Association headquarters that such card has been issued; and furnishing to the member the name and address of the secretary of the League to which the member may apply for temporary affiliation, and notifying that secretary about the member.

(d) Inter-League membership shall become effective immediately upon presentation of the Inter-League card to the secretary, or other authorized League officials, of the League with which the member wishes to be temporarily affiliated. This League shall notify the home League within fifteen days of the date the Inter-League card is received.

(e) When the period of Inter-League membership expires, the inter-League card shall be returned to its owner.

(f) Upon return to her home League, an Inter-League member shall return her Inter-League card for cancellation to the secretary, or other authorized League official, who shall notify Association headquarters of the cancellation of the card.

Transfer of Members:

Section 1.

The corresponding secretary and the treasurer of the League from which a transfer is made shall be responsible for filling in the information regarding the member's record called for by the transfer card supplied by the Association. They shall also certify that the transferring member is in good standing and shall then forward the transfer card to the secretary of the League to which the transfer is made.

Section 2.

Transfers shall be accepted by the Board of Directors or the Executive Committee of any League unless the member has no right to transfer under the provisions of Article II-B, Section 3 of the By-Laws. Transfers shall be accepted in order of application, except that applications of members under 40 may be given precedence over those of sustaining members. Transfers shall become effective upon acceptance. Within 15 days thereafter the secretary of the League to which the transfer has been made shall notify on transfer cards supplied by the Association, the member involved, the treasurer's office at Association headquarters, and the member's former League.

Section 3.

A member transferring from one League to another shall become subject to the jurisdiction of the League to which she transfers on the date on which such transfer is accepted.

A League receiving a transferring member may charge such transferring member the actual administrative costs incurred by such League in connection with her transfer.
